The Honorable Rosa L. DeLauro
Chairwoman
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for 15260 Rayen Housing Rehabilitation Project in fiscal year 2022. The entity to receive funding for this project is the Abbey Road, located at 15305 Rayen St. North Hills, CA 91343.

The funding would be used for undertaking a major rehabilitation project for six of Abbey Road's permanent supportive housing buildings (a total of 32 housing units) that are in the 29th Congressional District. The rehabilitation project, which is estimated to cost \$7.6 million upon its completion, will benefit homeless youth (including foster youth, Department of Probation youth, and Transitional Age Youth), single adults, families, Veterans, and victims of domestic violence. Abbey Road is requesting \$1,000,000 from the Department of Housing and Urban Development - Economic Development Initiative (EDI) to fully rehabilitate one of six permanent supportive housing buildings – 15260 Rayen Apartments (a 6-unit two-story 5,048 square foot building) – that houses homeless Transition Aged Youth (TAY).

I certify that neither I nor my immediate family has any financial interest in this project

Sincerely,

A handwritten signature in blue ink that reads "Tony Cárdenas".
