The Honorable Rosa L. DeLauro
Chairwoman
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Telfair Avenue Multi-Modal Bridge Over Pacoima Wash Project in fiscal year 2022. The entity to receive funding for this project is the Office of Los Angeles City Councilwoman Monica Rodriguez (City of Los Angeles, Council District 7) in Partnership with the Bureau of Engineering, located at 200 N. Spring St, Rm 455, Los Angeles, CA 90012.

The funding would be used for the construction of a new pedestrian and bicycle bridge along Telfair Avenue over the Pacoima Wash and will provide direct access to the future El Dorado Park. Currently, local students and neighborhood residents use this dangerous cut-through route as there is no safer option. This project is greatly needed for the community and will both provide increased safer, active transportation while investing in the aesthetics of the Wash.

I certify that neither I nor my immediate family has any financial interest in this project

Sincerely,

A handwritten signature in blue ink that reads "Tony Cárdenas".
