The Honorable Rosa L. DeLauro
Chairwoman
House Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Project Home Key Development in fiscal year 2022. The entity to receive funding for this project is LA Family Housing, located at 7843 Lankershim Blvd. North Hollywood, CA 91605.

The funding would be used for converting the Panorama Inn, a new housing property acquired through the State of California's Project Home Key initiative, into permanent supportive housing (PSH) for individuals experiencing homelessness in the San Fernando and Santa Clarita Valley region of Los Angeles County. PSH provides service-enriched permanent housing for people with high barriers to housing stability who, without support, would likely fall back into homelessness. This project seeks to circumvent traditional construction financing processes to save both time and money, bringing more units of PSH online more quickly to meet the growing need for service-enriched housing.

I certify that neither I nor my immediate family has any financial interest in this project

Sincerely,

A handwritten signature in blue ink that reads "Tony Cárdenas".
