Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Lankershim Boulevard Infrastructure Program in fiscal year 2025. The entity to receive funding for this project is City of Los Angeles-Council District 6, located at 200 N. Spring St Ste. 470 Los Angeles, CA 90012.

The funding would be used will provide water quality improvements and flood mitigation with the installation of dry wells, parkway planters and vegetated medians along a portion of Lankershim Boulevard. The project is an appropriate use of taxpayer funds because it provides water quality improvements and flood mitigation with the installation of dry wells, parkway planters and vegetated medians.

The project has a Federal nexus because the funding provided is for purposes authorized by 5305(a)(2) – the acquisition, construction, reconstruction, or installation (including design features and improvements with respect to such construction, reconstruction, or installation that promote energy efficiency) of public works, facilities and site or other improvements.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Tony Cárdenas".
