The Honorable Tom Cole  
Chairman  
House Committee on Appropriations

The Honorable Rose DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the North Sepulveda Pedestrian Island project in fiscal year 2025. The entity to receive funding for this project is the City of Los Angeles- Council District 6 located at 200 N Spring St #470 Los Angeles, CA 90012.

The funding would be used for improving a blighted median along Sepulveda Boulevard between Haynes St. and Lemay St. in Van Nuys. The project will add a safe walkway, ADA compliant ramps, new trees, and improved bus stops. This improvement will increase the quality of life. The project is an appropriate use of taxpayer funds because it will ensure pedestrians have a safe place to walk and take the bus to improve access to employment and educational opportunities.

The project has a Federal nexus because the funding provided is for purposes authorized by 5305(a)(2) – the acquisition, construction, reconstruction, or installation of public works, facilities

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Tony Cárdenas".
